A little corner of Poland where the world slows down…

Tucked away at the foot of the beautiful Karkonosze Mountains, surrounded by forests, mountain views and charming gardens, lies Cieplice Śląskie-Zdrój — one of Poland's oldest spa towns. For centuries, people, including royalty, have travelled here to enjoy its famous thermal waters and peaceful surroundings.

And what better place to roll out your yoga mat? Imagine morning yoga with nowhere to rush off to, gentle movement, time to breathe, lovely walks, relaxing treatments and delicious meals prepared for you. Yoga, nature and a little bit of being spoiled — all in one beautiful place. A whole week to slow down, reconnect with yourself and enjoy life without the usual demands. Because sometimes the best thing you can do is give yourself permission to do a little less… and feel a whole lot better. ❤️
